Golf

In taking full advantage of our 18 hole Championship golf course, members of the club enjoy participating in various tournaments, dog-fights and golf associations. Our staff works hard to accommodate member play, according to the requested day, time and number of players. They will even assist members in search of someone to play a quick 9 or 18 holes. In addition to opportunities to participate in member tournaments and shootouts held throughout the year, the club also has a Men's, Senior and Ladies Golf Association. Each group offers a chance to meet fellow members, enjoy a little friendly competition and participate in social activities.

Our professional golf staff is available for private golf instruction or

group clinics. A key focus at the club is made on junior golf and growing the game. Junior clinics are held throughout the year and our practice facilities are available for refining their skills.

Use of the driving range is for members only. Yardage on the range is measured from the driving mats. E-keys are available at the Golf Shop for operation of the ball machine at the range. Members may purchase an e-key and place a dollar value on the key that will be deducted from when dispensing balls for use at the range. Shots are limited to a maximum of 240 yds from the back of the tee area. Players must hit from the designated hitting area as posted by the Superintendent.

Our fully stocked golf shop will keep you equipped for the course. In addition to our seasonal selection of Adidas, Nike, FootJoy, Titleist, Under Armour and other name brand apparel, we can order custom made goods for your personal or professional use. Our staff will also help you find the equipment best suited for you or handle any club repair needed to get you ready for the first tee.

A members only men's shower and locker room is available on the upper floor of the clubhouse. Members may rent a locker for only \$63/year.

Pool & Swim Team

A memorable summer activity for the entire family is spending time at the Golden Hills pool. Swimming, sun bathing and enjoying an ice cream treat are just a few things that add to summer fun.

Our Junior Olympic swimming pool and wading pool for small children are open for members only from mid-May through Labor Day. Lifeguards and a snack

bar are provided each pool season. Individual and group swim lessons are available.

The Golden Hills Swim Team competes each summer in the Columbia Swim League. The team, known proudly as the "Gators", offers swim development and competitive training for swimmers age 4-18. Our goal is to develop, challenge and train each of our athletes (regardless of age or abil-

ity) in order to make them better swimmers and team players. And we do it by making our team an extremely fun and healthy environment for swimmers of all ages.
